Diverging Diamond Interchange

Dear San Simeon Homeowners and Renters,

Diverging Diamond Interchange info from Darla Bonk, City of Fort Myers, Office - 239-321-7006

FDOT will begin implementation of the Diverging Diamond Interchange (DDI) at the I-75 at State Road 884/Colonial Boulevard interchange on July 12, 2024.

The final implementation requires a phased closing all interchange ramps and Colonial Boulevard between Six Mile Cypress Parkway/Ortiz Avenue and Forum Boulevard to motorists, pedestrians, and cyclists.

On Friday, July 12 at 9 p.m., crews will close the on-ramps from Colonial Boulevard to I-75 northbound and to I-75 southbound. Pedestrian and bicycle access on Colonial Boulevard will be closed from Six Mile Cypress Parkway to Forum Boulevard. Then, on Saturday, July 13 at 2 p.m. to Sunday, July 14 at 2

p.m. crews will close the interchange off-ramps between I-75 and Colonial Boulevard, and crews will also close Colonial Boulevard between Six Mile Cypress Parkway/Ortiz Avenue and Forum Boulevard. Pedestrian and bicycle access will remain closed until Monday, July 15 at 6 a.m.

The closure allows crews to place the travel lanes into the final configuration including lane restriping, installation of signage, and traffic signals.

During the closure, I-75 north- and southbound motorists will use the State Road 82/Dr Martin Luther King Jr Boulevard exit (Exit 138) and Ortiz Avenue or Forum Boulevard to reach Colonial Boulevard. Colonial Boulevard motorists wishing to continue on Colonial Boulevard will use Ortiz Avenue to Dr Martin Luther King Jr Boulevard to Forum Boulevard to circumvent the interchange area. Motorists should follow the posted detour signs; or identify alternate routes. Motorists should exercise caution through the detour area and anticipate delays.

Detour Map Upon opening on Sunday, July 14, drivers will be traveling in the final DDI configuration with signage and pavement markings guiding motorists through the interchange (see image: purple is westbound, cyan is eastbound).

DDI Final Configuration

FDOT will have a safe area adjacent to the project site for a media staging. The media staging area is located on Rolfes Road. To access site, use Six Mile Cypress Parkway to Dani Drive to Rolfes Road.

As always, **ALL questions or concerns** are to be EMAILED to our management company, James Ro at james@sunvast.net, Sunvast telephone number is 941-378-0260, **DO NOT REPLY TO THE NEWSLETTER!** Address is: Sunvast, 321 Interstate Blvd., Sarasota, FL 34240. The neighborhood website that lists names of board members, board meeting minutes, important forms, etc.

is www.sansimeonhoa.com You might want to familiarize yourself with that website and ask James any of your questions.

Thank you,
HOA Board of Directors
