

SAN SIMEON NEWSLETTER

Help Needed 6 PM Tonight

Dear Residents of San Simeon,

We are organizing a community effort tonight Tuesday, Oct. 15th, to gather and remove palm fronds and other horticulture debris. Starting at 6 PM - meet at the clubhouse and Chris Luizzi from the HOA board will organize and begin moving debris to the designated area near the trash compactor.

*If you are able and willing to assist, we would greatly appreciate your help! **Volunteers with a truck are especially needed to help transport the debris more efficiently.** Please ensure that the debris is placed neatly and does not block access for regular solid waste pickup, as requested by Carrie Baxter from Public Works:*

"Please have it near the compactor and make sure it is not blocking access for regular solid waste pickup."

This is a great opportunity to work together as a community, and your efforts will make a difference in keeping our neighborhood clean and safe.

Thank you for your support!

*Best regards,
San Simeon HOA*
