**Help Needed 6 PM Tonight to Continue the CLEAN UP
TRUCKS NEEDED**

Dear Residents of San Simeon,

A heartfelt thank you to all of the amazing volunteers who came out last night to help gather and remove palm fronds and other horticulture debris! Your efforts made a huge difference, and we appreciate each of you for stepping up to keep our community clean and safe.

*We successfully cleared debris from over half of the community. Tonight, **Wednesday, Oct. 16th**, we will be finishing the clean-up efforts. If you were unable to participate yesterday, we encourage you to join us tonight. We will again **meet at the clubhouse at 6 PM**, to move the remaining debris to the designated area near the trash compactor.*

Volunteers with a truck are especially needed to help transport debris more efficiently. Many hands make light work!!

This is another great opportunity to work together as a community. Thank you again for your ongoing support, and we look forward to seeing you tonight!

*Thanks,
San Simeon HOA*
