Volunteer to be on a Committee

Dear San Simeon Homeowners,

Greetings everyone!!! At our recent Board Meeting it was voted on that standing committees would be formed and let the community residents be a part of more day to day needs and inform the Board of needs and wants. You will choose a chairperson, maintain minutes of the committee and a representative of your committee will be on the agenda to report at Board Meetings. If you want a voice now is your chance.

I am sending this email to put together a list of the Committees that either are already established from prior years and create new ones for the good of our Community. Everyone should want to be involved in some way to have a voice in the community. If you are at all interested in sharing your time and talent on any of the following committees, please email Donna Nardine at sansimeonfortmyers@gmail.com There will be more info to follow when initial meetings can be organized. We will assume if you are already listed on a committee you will still be on the committee unless you advise you no longer want to participate. A Board Member will be assigned to each committee to report back with questions/comments.
